Meet Our Pain Management Specialists

Michael J. Grille, MD

Pain Management Anesthesiologist

Dr. Michael Grille has established himself as one of the top Interventional Pain Management Specialists in the Northeast. With Fellowship training at the prestigious Cleveland Clinic, he brings a wealth of clinical expertise in order to develop the best and

most comprehensive pain management plan to address any chronic pain condition.

Michael J. Robbins, DO

Pain Management Anesthesiologist

Dr. Michael Robbins was recognized as one of the “Best Pain Management Physicians in New Haven”, and he has brought his clinical excellence and experience to the local community. Dr. Robbins is a board-certified anesthesiologist and pain medicine specialist. He

has extensive knowledge in spinal mechanics, and he provides treatment for a wide range of pain issues.

Bright J. Selvaraj, MD

Pain Management Anesthesiologist

Dr. Bright Jebaraj Selvaraj brings national pain management experience to the forefront of the IAA Pain Center. Having completed his Residency at New York Presbyterian Hospital and his Pain Management Fellowship with Oregon Health, Dr. Selvaraj has been a welcome

addition to our growing Pain Management Team.

If you're living with chronic pain, call us today!
